However they will continue to work in the Sections as before".

For functional convenience 15% of the total strength of Assistant Executive Engineer will be designated as Deputy Executive Engineer and rest 85% of the total strength of Assistant Executive Engineer will remain as such. Since both the posts i.e. Assistant Executive Engineer and Deputy Executive Engineer are in the same rank, same Pay Band with same Grade Pay, not involving any promotion from one rank to another, the senior most 114 persons of the Cadre will be designated as Deputy Executive Engineer.
